EL MAR DE TATO 2.0

By Floreria Atlantico

I grew up in Pinamar, on the coast of Buenos Aires, facing the Atlantic Ocean, enamored by the tides, the rise and fall of the waters, the energy of the Sun and the Moon.

An ocean that transported me to the place from where my grandparents came from. That sea is a metaphor for my life. I am Renato Giovannoni, I chose to be a bartender and the spirit of everything I've learned from the places and people that I met is in my drinks from my home, Floreria Atlantico.

Everyone knows me as Tato.

Welcome to my sea.
